Benefits of Studying in Australia

Ideal Location & Climate

Australia's geographical location provides a relatively mild, tropical-to-mediterranean climate with plenty of sunshine all year round.

Beautiful Scenery & Lifestyle

From stunning beaches to unique wildlife and vibrant cities, Australia offers students an unmatched lifestyle alongside their studies.

Post-Study Visa Pathways

Students with a Graduate Stream Visa (485 visa) are entitled to an 18-month full work right in accordance with the Home Affairs provisions.

Inclusive Campus

Students live and learn in a welcoming, diverse environment, gaining exposure to different cultures and perspectives.

Student Work Rights

International students can work up to 48 hours per fortnight (average 24 hours per week) during study periods, helping them gain valuable work experience.

Protection for International Students

Under the ESOS Act, Australia guarantees quality assurance, academic standards, and student protection across all recognised education institutions.
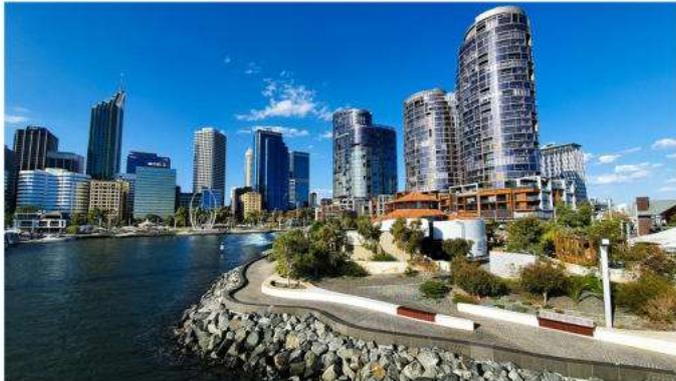

Why Study at City College?

At City College, we are dedicated to providing students with a holistic and inclusive learning experience, where curiosity, innovation, and growth are at the heart of everything we do. More than just gaining a qualification, you will join a supportive academic community that helps you take the first steps toward a successful and rewarding future by:

Affordable & Competitive Fees

City College offers excellent value for high-quality education, ensuring students can pursue their dreams without unnecessary financial burden.

Prime Perth City Location

Located in the heart of East Perth, City College provides easy access to public transport, accommodation, and the vibrant cultural life of the city.

Class Sizes

We keep class sizes manageable to provide personalised attention, ensuring that each student receives the guidance and support they need.

Modern Learning Facilities

Our classrooms are fully equipped with the latest technology, including computer labs, free Wi-Fi, and access to specialised software relevant to your course.

Industry-Aligned Campuses and Workshops

Our programs integrate practical learning with the latest industry tools, resources, and case studies to keep your training relevant.

Multicultural Environment

With students and trainers from diverse cultural backgrounds, City College fosters a truly global learning community.

THE CITY COLLEGE EXPERIENCE
IN THEIR WORDS

My name is Sabrina from Bali, Indonesia, my experience at City College has been outstanding. The dual qualifications in Cyber Security and Telecommunications have empowered me to apply for a Cyber Security Officer position.

★★★★★

I'm Daniel from Brazil, and I chose City College because it was the only college in Perth offering exactly what I wanted in the Automotive program. I've learned so much here, and the experience has been really good.

★★★★★

I am Justin from South Africa, studying at City College. My experience here has been truly rewarding, with an excellent work–life balance. I greatly appreciate the outstanding facilities and absolutely love my teachers, who make every concept easy to understand

★★★★★

My name is Daniela from Romania, studying at City College. I am really enjoying my experience here and absolutely love my teacher. I would highly recommend City College to everyone for their courses.

★★★★★

I am Rosemary from Kenya. I am happy to be here at City College as it is beyond my expectations, and I look forward to future opportunities from the valuable experience I am gaining here

★★★★★

I am Simarpreet from India. I got my visa in just 22 days for the ICT course. The whole experience was seamless and transparent, and the staff have been super helpful throughout.

★★★★★

Hi, I am Elham from Iran and have been studying at City College for almost a year. I came here to gain professional, skill–based experience that will help me in my future business. The studies are very practical, and I would recommend City College to everyone

★★★★★

My name is Namge Wangchuk, and I am from Bhutan. I would highly recommend this course to my fellow Bhutanese students, as it offers valuable knowledge and opens many opportunities for future career growth.

★★★★★
